It is easy to use, fast and powerful. After living in Singapore for five years, I have come to appreciate the ways the city government has tried to bring people together and make it a more harmonious place to live. For example, I love the “Singapore Food Street” at Dhoby Ghaut MRT Station. Some of the

most popular stalls are Temasek Heals stall and True Food Market. I enjoy the experience of walking and enjoying food at these stalls. It is a shame that these stalls are not permanent. Temasek Heals is a restaurant in the basement of the MRT station. The concept is simply to bring the benefits of healing home by healing food. There are six healing dishes, which people have mentioned helped them to recover faster from illnesses. These include Chicken Chintapalli, Chicken Sanjhi, Chili Chicken, Punjabi 82157476af
